We have chosen the passage of time as our theme for *Reflections 1979.* In the past four years we have witnessed many changes in the world around us, but more importantly we have noticed the changes within ourselves. Throughout our lives the passage of time will hold many opportunities and challenges. Although we will continue to grow and develop, there will still be a part of our lives that will remain here forever.

In our yearbook we hope to capture the fleeting moments that otherwise would be erased by the sands of time. Through our words and pictures, we wish to express what we feel symbolizes a small portion of the passage of time.

Throughout our four years in Seekonk High School, you have given us so much and taken so little in return.

We began as inexperienced and insecure individuals. With your attention and guidance you have united our class into adults who are ready to face the future and accept life's challenges.

The amount of time you have spent on our activities has not gone unappreciated. As our advisors, your constant loyalty has been never-ending.

With our deepest admiration, we would like to dedicate our yearbook to two friends who we will long remember, **Mrs. Margaret Cassels** and **Mrs. Sally Wing.**

Thank You for Being a Friend

Thank you for being a friend — traveled down the road and back again, — Your heart is true — you're a pal and a confidant. — I'm not ashamed to say — I hope it always will stay this way. — My hat is off — won't you stand up and take a bow. Thank you for being a friend. —

If it's a car — you lack, I'd surely buy you a Cadillac. What ever you need any time of the day or night. — I'm not ashamed to say — I hope it always will stay this way. — My hat is off — won't you stand up and take a bow. — (And when we both get older with walkin' canes and hair of gray, we'll have no fear — even though it's hard to hear I will stand real close and say) — Thank you for being a friend —

Reason and calm judgment are the qualities especially belonging to a leader.

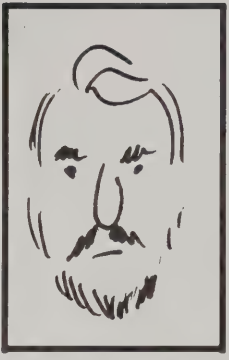
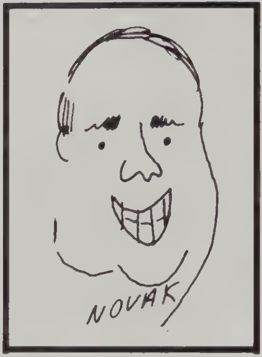
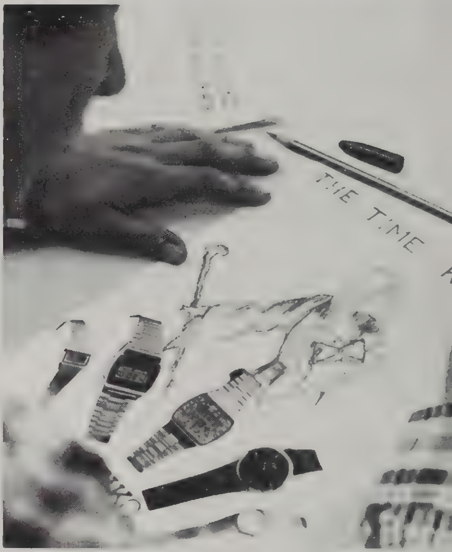
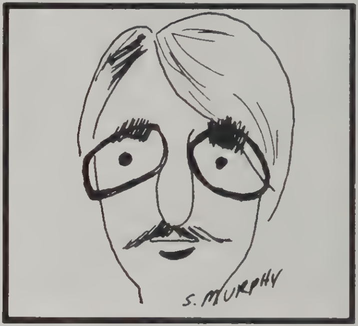
Hard Work Often Goes Unrecognized









Be True to Your School

When some loud bragger tries to put me down and says their
school is great I tell them right away —
"Now what's the matter, buddy, ain't you heard of my school?
It's number one in the state!"
So be true to your school
just like you would to your girl or guy
Be true to your school now
Let your colors fly
Be true to your school
I got a letterman sweater with a letter in front,
I got from football and track. I probably wear them now,
When I cruise around the other parts of the town.
I got a decale in back!
So be true to your school
Just like you would to your girl or guy
Be true to your school now
Let your colors fly.

Student Government

Members of the Student Government plan Student Government Day. This program is designed to give students an opportunity to participate in an electoral process encompassing registrations, nominations, primaries, and elections. Students who win elections qualify to spend a full day at the town hall working with elected officials.

This club is designed for self-defense for both girls and boys. Rank tests are given twice each year, where students have a chance to show their skill and improve their rank. Students are taught various kicks, blocks, combinations, and forms.

The Ski Club provides school-sponsored ski activities to interested students. Members are given the opportunity to take part in a sport which is very popular today. During the course of the season, the club takes trips to many well-known ski resorts in New Hampshire and Maine. All those students involved feel that this is a worth-while school activity.

Independent Study

The Independent Study Program makes the assumption that much learning can take place outside of the classroom, through personal involvement in the real world. The Independent Study program operates on the premise that students have an opportunity to examine their own personal values and compare them with others.

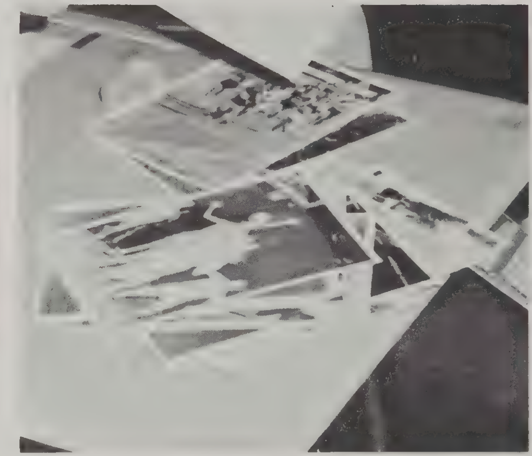
Carol May looks for an action shot.



"One man's garbage is another man's treasure."

"Not all over again, Murph!"

Behind every great staff there is a great man.

Linda at her best.

Missy Schreck and Mr. Murphy making a crucial decision.

Yearbook 1979

A light moment for the literary staff.

"What's the attraction?"

A pensive time for Lorraine.

"What a pain!"

"Hey Laura, look at this."

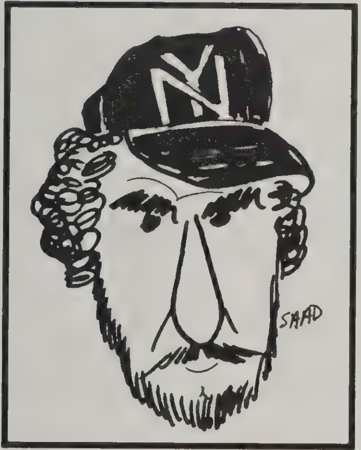
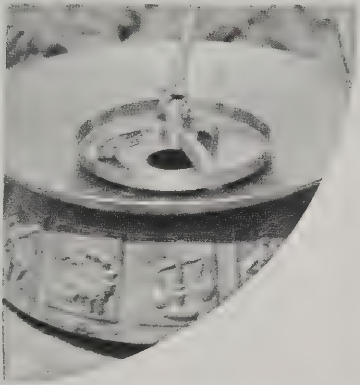
A Bunch Of Sophomores





The Way We Were

Mem'ries light the corners of my mind, misty water color mem'ries — of the way we were. Scattered pictures — of the smiles we left behind, smiles we gave to one another for the way we were. Can it be that it was all so simple then, or has time rewritten every line? If we had the chance to do it all again, tell me would we? Could we? Mem'ries may be beautiful, and yet, what's too painful to remember, we simply choose to forget. So it's the laughter we will remember, whenever we remember the way we were; the way we were.

Do You Know Where You're Going To?

Do you know where you're going to?
Do you like the things that life is showing you?
— Where are you going to, — do you know?
Once we were standing still in time, chasing the
fantasies that filled our minds. — And you know
— how I loved you, but — my spirit was free,
laughing at the questions that you once asked of
me. —

Do you get — what you're hoping for? When you
look behind you there's no open door. — What
are you hoping for, — do you know? Once now
looking back at all we planned, we let so many
dreams — just slip through our hands. Why must
we wait so long — before we see how sad the
answers to those questions can be? —

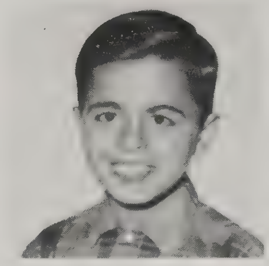
After his hell came
heaven, No I do not cry
for him, I just weep softly.

Never Forgotten
Love Ya
Mom, Dad, Relatives,
True Friends

Once upon a time we were young and unaware of the purposes that life would bring us. Santa Claus and the Easter Bunny played an important role in our lives. Reading, writing, and arithmetic were our daily lessons and recess was the best part of the day.

As we grew, so did our world. We visited new places and made new friends. Grammar school became a mere



memory, as our junior high school days descended upon us. Segregated cafeterias, lockers, and our first dances were all part of our new world.

Next came the frightening experiences of our first day at high school. A juke box in study and elevator passes were all new developments during our first year. The rest is history, as recorded in this book . . .

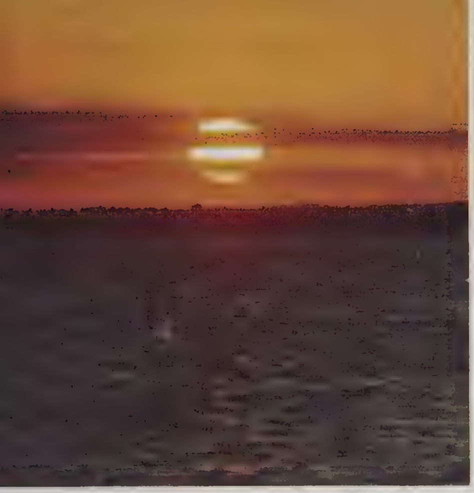
Morning Has Broken

Morning has broken
Like the first morning
Blackbird has spoken
Like the first bird
Praise for the singing
Praise for the morning
Praise for them springing
Fresh from the word
Sweet the rains new fall
Sunlit from heaven
Like the first dewfall
On the first grass
Praise for the sweetness
Of the wet garden
Sprung in completeness
Where his feet pass
Mine is the sunlight
Mine is the morning
Born of the one light
Edan saw play
Praise every morning
God's recreation
Of the new day
Morning has broken
Like the first morning
Blackbird has spoken
Like the first bird
Praise for the singing
Praise for them springing
Fresh from the word.

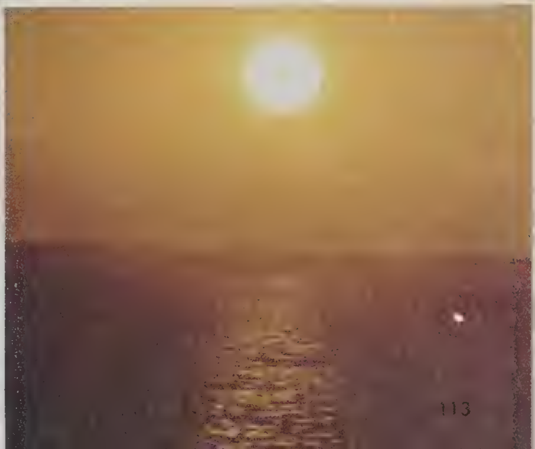


And so it began as I
sat by my window
All by myself in the
dawn
Nobody else no polite
conversation
Just waiting for life
to come on

And I see the sunrise
Over the ocean
Sunrise on the sea
I'm watchin' the
sunrise
And glad to be livin'
Sunrise
Shine over me

I think of my life as
I look out my
window
Of people I love,
places I've been
Sometimes I feel I
could go on
forever
With nothin' to lose
Nothin' to win

When I see the sunrise
Over the ocean
Sunrise on the sea
I'm watchin' the
sunrise
And glad to be livin'
Sunrise
Shine over me



The shadow of four brief years has fallen upon us, each ray of sun and every shadow cast contributing to our growth and development. Our time is only a short revolution around the sundial, but the hours, the days, and the years hold memories that will remain forever within our hearts.

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us."

The sun shines upon the tranquil sea as I reflect on the thoughts of today and yesterday; and look forward to tomorrow as a day when I can transform my abstract ideas and dreams into concrete realities.

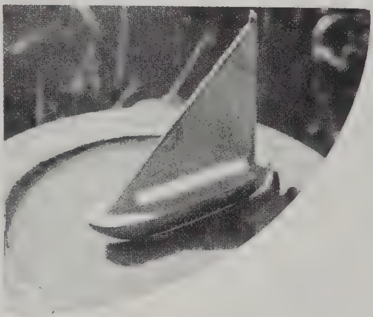
The golden rays of light show promise and hope for my striving aspirations.

The crystal blue water tells of how the thoughts flow from my mind into objects of tangible existence. The lowering sun acts as a clock, ticking away the hours into minutes, into seconds leaving me limited space to start a new tomorrow from the thoughts of yesterday.

Kim

Time in a Bottle

If I could save time in a bottle
the first thing that I'd like to do
is to save every day till eternity passes away
just to spend them with you.
If I could make days last forever
if words could make wishes come true
I'd save every day like a treasure and then
again I would spend them with you.
But there never seems to be enough time to do
the things you want to do once you find them.
I've looked around enough to know that you're the one
I want to go through time with.
If I had a box just for wishes and dreams
that had never come true
The box would be empty except for the memory
of how they were answered by you.
But there never seems to be enough time to do
the things you want to do once you find them
I've looked around enough to know that you're
the one I want to go through time with.



Photographs and Memories

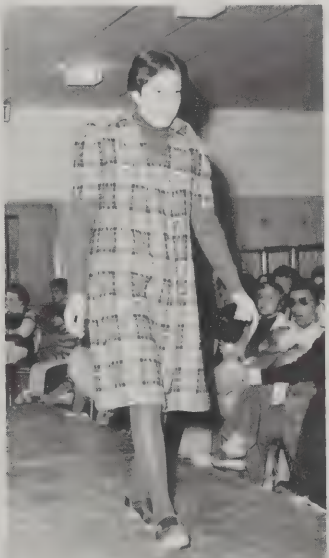
Photographs and Memories
Somehow they just can't be true
That's all I've left of you
But we sure had a good time when
We started way back when
Morning walks and bedroom talks

Gong Show

The Second Annual Gong Show, staged by the Student Council in May 1978, was a very successful "talent" show in which high school students performed in front of a sell-out crowd.

The acts were rated on a scale of 1-10 by judges Mrs. Helen Keough, Mrs. Magdalene Giffune, and student John Barker. Former Student Council President, Girard Healy, served as Master of Ceremonies.

Jeff Mintel and Ernie Madden received the unusual Gong Show Award for their classic renditions of "Crocodile Rock" and "Movin' out."



Fashion Show

On May 18, 1978, at 7:30 p.m., the Home Economics Department sponsored a fashion show entitled **Fashion Renaissance.** It was directed by Mrs. Keough with assistance from Mrs. Velardo and Mrs. Allen. The participants, which included male and female students, their relatives and even Dr. Andreozzi, were seen in various outfits ranging from bathing suits and leather coats to evening attire. A special retirement award was presented to Mrs. Lindberg, outgoing head of the Home Economics Department. Mr. Kinder provided the music, the foods class provided the refreshments, and the sewing classes displayed their wares on the crafts table.

Festival '78

On May 25, 1978, the Drama Club sponsored **Festival '78,** *a contest in which each of the four classes presented a one-act play.*

The Class of '78 performed "Curse, you, Jack Dalton."

Science Fair 1979

The annual Science Fair was held February 12, 1979 to give students the opportunity to apply their acquired skills to various fields of science.

The Science Fair Committee, composed of Jeff Burke, Ray Medeiros, Jayne Hughes, Connie Tankard, Mike Veader, Kevin Francis, and the Science Department staff, was responsible for this event.

Prizes were awarded to the following people: first prize (Mini cassette recorder), Scott Marn; second prize (polaroid one step), Ray Medeiros; third prize (am-fm portable radio), Sue Rickey; fourth place (digital clock), Greg Burrows; and honorable mentions ($2.00 gift certificates to D.E. store), Cheryl Rickey, Mike Slattery, and Barbara Holmes

A variety of projects were presented portraying both the creativity and ingenuity of all thirty-seven participants.

Student Government Day

May 18, 1978

Student Government Day is a program designed to give students the opportunity to meet with town officials and at the same time gain valuable experiences outside of the classroom. The Planning Day Committee consists of thirty hard working students who organize the events for the 350 members involved in the program.

Each year an election is held in which the entire school participates. At this time, members of the Student Government Committee are chosen to hold town positions for one day.

The election process for the Student Government Day Committee is similiar to that of present day town elections. Ballots are tabulated on an authentic voting machine that is obtained through the courtesy of the town of Seekonk.

On the designated day, newly elected students meet with town officials and assume their position for the day. The officials aid the students by explaining their duties and the function that they serve in the smooth running of our town government.

Under the guidance of Frank Mooney, along with the cooperation of all town officials, the students are able to learn about the operation of the town from first hand experience.

Another record broken

This year's Field Hockey team enjoyed one of their best seasons ever, both on the Varsity and J.V. levels. The varsity had an impressive 11-2-1 record for the 1978 season. The J.V. team was also successful in finishing with a first place in league play and a record of 5-1-3. By scoring 44 goals in a single season, another school record was broken by the team. Several individual records were also broken.

In the State Finals, Seekonk and Scituate were tied during the game with a score of 2-2. The game finally ended after two overtimes and a sudden death in which Scituate scored the one and only goal needed to win the game.

Both teams played exceptionally well this year and are looking forward to another successful season next year.

Squad to lose veterans

The 1978 Girl's Swim Season marked another year of continued improvement. Although the record of the team was 5-6, Seekonk finished 7th out of 26 teams at the Eastern Mass. State Championships.

Shattering all but two of the previous school records, senior Kris Swanson led the team to a successful season.

The small number of team members did not set back the accomplishments of the team as a whole, for a vast majority qualified for both Championships and over half placed in the finals.

Seekonk will lose four veteran swimmers who have served the team well: Laura Atwell, Marilyn Kirkman, Kristin Swanson and Mary Beth Nelson.

Record doesn't reflect true efforts

The 1978 Seekonk Warrior Cross Country team, blessed with many talented runners, closed out the season with a very disappointing league record of 3-4. This record, however, did not reflect the team's true effort. A mere ten points decided three of the four defeats. The most heart-breaking loss came midway through the season against Somerset, where a determined Seekonk team was edged out by two points. The 1978 season ended on an impressive note with Seekonk shutting out arch-rival Dighton-Rehoboth, 15-45.

Unfortunately, the Warriors are losing many fine seniors, but the coaching talents of Frank Mooney promise many opportunities for a successful season next year.

The Girls' Cross-Country team, continued a long string of successful seasons, finishing first in their class for the fourth straight year, and seventh in Eastern State Competition. The girls' look forward to maintaining their domination in the years to come.

Happy ending to disappointing season

Although the Seekonk High School Warriors ended their season with a satisfying 20-7 victory over arch-rivals D.R. on Thanksgiving Day, the players seemed to realize that their 6-3 record was just not good enough. Following three straight impressive victories, the Warriors suffered their first of three heart-breaking losses at the hands of Bourne; two turnovers both resulting in Canalmen touchdowns, turned the game in favor of the opposition. After a tough, hard-earned victory at D-Y, Ridolfi and Co. returned home for the first place against the Wareham Vikings. They were well-prepared but three long scoring runs by a tailback named Tony Pires ruined their Homecoming and their only shot at the Division III title.

Team hindered by lack of experience

The Girls' Volleyball team had a disappointing season with a record of 1-8, the only win being over Coyle-Cassidy.

This is only the second year of competition and their competition came from teams with division titles. Their lack of experience didn't stop Seekonk from trying hard and in many matches Seekonk went all the way to the third game.

Coach Uihlein worked with the girls and taught them teamwork and sportsmanship, and although the season was unsuccessful, the next years look better. With a veteran starting line of Gina Mayo, Karen Jensen, Janice Bardsley and Carolyn Hicks, the team looks forward to a winning season in the future.

Advisors for the Hockey Cheerleaders are Mrs. Dorazio and Mrs. Velardo.

Famous first for Seekonk

Under the direction of first year coach Robert Clarke, the Seekonk Hockey team played an extremely difficult pe-season schedule to prepare for their demanding conference games. Games with Bellingham, Old Rochester, East Providence, Woonsocket, and King Philip gave the Warriors a cross-section of hockey style from six different leagues.

In their debut, the disciplined and hard-working Warriors totally embarrassed pre-season favorite, and arch-rival, D-R with a 6-0 victory. The team then went on to post fifteen consecutive victories and one tie without sustaining a loss.

In Southeastern Massachusetts Division II Conference play, Seekonk finished undefeated with a unprecedented 11-0-1 record to win the division championship. The Warriors' overall season record, including state playoffs, was an impressive 18-3-3.

In state playoffs, Seekonk defeated Oliver Ames in sudden death overtime but their next game, fell 7-6 to Lynnfield, one of the strongest teams in the state.

Among the honors tallied by the team include four players being selected to the All Star Team and area newspapers choosing six players to their All Star Teams. Coach Clarke was cited as "Coach of the Year" for 1978-1979.

The 1978-1979 Hockey Team brought SHS a Championship which will always be remembered as the *first* for Seekonk Hockey.

Year of rebuilding for hoopsters

After losing four starters from last year's 22-3 team, it appeared that the 1978-1979 Boys' Basketball season would be a year of rebuilding for the Warriors. Co-Captain Mark Bowers, a returning starter, and Co-Captain Glen Larabee were the only players with substantial court time on the squad.

During the first three weeks of the season, the Warriors won five of six non-league games; this was a strong indication that they would be competitive in league play.

Led by the outstanding play of Mark Bowers, the Varsity won five of seven games during the first half of league competition. David DiOrio and Glen Larabee made large contributions from their guard positions while being ably supported by Craig Mace, Steven Burke, Greg Greene, and Mark Rogers from their forward positions.

In State Competition, the Warriors were one short of the playoffs being edged out of that berth by Feehan, the reigning Southeastern Massachusetts Division II Champs. Coach Donald Carey feels that this season established a foundation upon which the team can build.

The diligent JV team played spirited basketball throughout the season with their 7-13 record not being a true reflection of their efforts. The leading scorers for the season were Tim Alcorn and Shaun Costello. Excellent ball handling was turned in by Glenn Hamlin, Peter Gilbert and Rick Murphy. Strong rebounding by Paul Beauregard, Joe Reddington, and Roger Greene contributed substantially. "A good sign for the future," commented Coach Robert Perrault.

Three year record: 61-11

Despite the loss of seven valuable seniors from the team, the Girls' Basketball Team did exceptionally well by ending their season with a 15-5 overall record and an impressive 10-4 record in the Southeastern Massachusetts Division I West Conference.

Senior Gail Lagerquist received the Total Team Player Award while Junior Liz Murphy showed outstanding performances in becoming Seekonk's high scorer with 261 points for the season. Robin Perry, along with Murphy, qualified for the **Sun Chronicle** All Stars, as well as the All-Stars League All Conference. Junior Liz Sullivan improved greatly during the season and seniors Gina Staltare and Ginny Sykes proved to be valuable to the team as overall players.

Playing in the quarter finals, Seekonk showed extra strength and determination but lost to Rockland with a heartbreaking score of 48-47.

The Seekonk Girls' Basketball Team finished their season with a 1-1 record in the Massachusetts State playoffs, adding to their impressive 61-11 record for the past three years.

Indoor: best season in recent years

With the boys finishing 6-4 and the girls remaining undefeated, the 1979 Indoor Track season again brought honor to SHS.

The boys defeated last year's Indoor Track Champs, Taunton, and the Distance Medley Team placed first at the State Coaches' Relays. Both feats contributed to the season being the most successful in recent years. Attaining a perfect record, the Girls' Indoor Track team captured the league title. The Mile Relay Team set a new record at the Coaches' Invitational and then went on to take first place at the State Coaches" Relays. The team peaked with its many strong performances earning them recognition at the Class B Indoor State Champs, a title which they well deserve.

The Indoor Track Team proved to their competition that they are formidable opponents and are not to be underestimated in the years to follow.

Seekonk: swim capital

The Seekonk High School Boys' Swim Team enjoyed one of the finest seasons in their thirteen year history. The Warriors finished their 1979 dual meet season with a perfect 9-0 record and were 8-0 in the Greater Boston Interscholastic Swimming League's Southern Conference. Their victories included easy wins over Middleboro, Westwood, Durfee, Taunton, Milford, New Bedford, and Randolph, and two impressive victories over state power Gardner (87-85) and conference rival Attleboro (91-81). The swim team's campaign also included victories in the two major Rhode Island swimming championships: Brown Interscholastics and the Max Read Memorial Championships.

On the local scene, the Warriors placed first in the Southeastern Massachusetts Swimming Competition. In the Massachusetts State Swimming and Diving Championships, the Warriors swam very well and placed third in a field of sixty-three teams. An unbelievable effort from all swimmers involved allowed the team to accomplish the ultimate goal, placing first in the New England Swimming and Diving Championships, thus making them the 1979 New England Champs.

The Boston Globe has recognized the Warrior swimmers by naming John Ackell, Shaun Dolan, John Kaczowka, Brian Dolan, Brian Seeley, and Chip Swanson to the All-Scholastic swimming team. In addition, Coach Ellis Mayers was named Swim Coach of the Year.

Linksmen have impressive victories

The Seekonk Golf Team performed quite well under first year coach, Robert Kulaga last season as they finished their 1978 spring schedule with a 9-7-2 record. The golf team's wins included impressive victories over Durfee, Coyle-Cassidy, Bishop Connelly and Westport, all having scores with wide margins. There were some disappointing losses, namely to arch-rival Dighton Rehoboth, Bishop Feehan, and Attleboro.

Although the team lost an excellent player, state finalist Dan Smith, there are players from last year's team who will jump into the first six positions and, hopefully, enjoy the best season they will ever have.

Confident and determined players

The 1978 Girls' Softball season proved to be a successful one. Although the record was 9-8 in league and non-league play, the ability of the team was not truly reflected. The players showed a variety of skills and talents but it just wasn't enough for the strong competition they faced.

The game against Case High was a come-from behind win for up until the last inning the score had been 3-5. In the ninth, Seekonk tallied three runs to edge a 6-5 victory. The Seekonk-D.R. game was yet another close one, tie until the last inning when D.R. captured the final win by stealing home plate in the ninth. Seekonk has never defeated D.R. and this year Seekonk feels confident they will beat them to break their losing streak.

Co-captains Sue Armstrong and Toni Barone helped the squad through many difficult games and gave the players the confidence and determination which they needed.

This season, the returning players should be a better team unit, with co-captains Gina Staltare and Cheryl Dutra, for they have played together for at least one year and have some experience on the varsity level.

Unique offensive power

The 1977 Varsity Baseball Team was a fine gathering of veteran ballplayers and they gave Seekonk its most powerful team ever to exist in Seekonk history. The offensive powers of this team were quite unique. With a team batting average of over .300, Seekonk scored an average of 12 runs per game. Due to their outstanding play, Joe Sousa, Dave Mitchell, Jon and Paul Bowen were selected to the All League team.

A highly successful 10-4 team record was compiled in the S.E. Mass. Division II West to make the State playoffs. Seekonk defeated Oliver Ames 6-4 but lost a heartbreaking 8-7 game to Fairhaven in the playoffs.

Seekonk defeated arch rivals Dighton Rehoboth twice. Jon Bowen led the pitchers with a record of 7-3 while pitchers Todd Hagenburg and Ed Medeiros combined for the other five wins.

Joe Sousa, Gary Najas, Glenn Larrabee and Chris Lima also represented Seekonk as part of an All Star team who participated in the Big League World Series in Fort Lauderdale, Florida in August 1978.

Seekonk looks to continue its winning way this season with a good nuclei of underclassmen.

Successful season for spirited team

An easy win in the seasons first dual meet against Taunton, made practice in the cold months pay off. The Girl's Outdoor Track team was a balance of field event participants and runners, dispelling the rumor that Seekonk only produces runners. The season was undefeated partially as a result of the contribution of the shotputters, discus throwers, and javelin throwers. Combining this with a strong team effort of runners, we were able to capture second place in the highly competitive Falmouth Invitational.

The Mile Relay team hoped for a state record and a trip to the New Englands in Vermont. This goal was achieved, but the victory was bittersweet, for in the next heat another team bettered our record and went on to represent Massachusetts.

The season, as a whole, was a great success and in the words of Coach Wing "an outstanding team with lots of talent and spirit".

Injury hampered team triumphs

Despite the numerous injuries which plagued the Seekonk Boys' Track Team, the Warriors enjoyed an outstanding season. The team, comprised predominantly of underclassmen, combined their efforts for a 6-3 league record.

After nearly a month of practice, the season began with a close loss to a strong Attleboro team. As the season progressed, however, the young Warriors rolled over Somerset, 104-41 and Coyle Cassiday 109½-35½. They now had momentum and were victorious in their next three meets against St. Rapheal's Academy, Dighton-Rehoboth, and Diman Vocational, before finishing the season with two losses against Bishop Feehan and Taunton.

With the dual meet season finished, the team looked forward to State and Divisional competition, where they finished fifth in the Class D Relays and fourth in Southeastern Mass. Division One.

The outstanding runners of the season were Marc Fain and League All-Star members Mark Baldani and Chris Harrison. The majority of the runners will be returning this year, when the Warriors will be looking forward to another fine season.

Team qualified for prestigious tournament

Seekonk's finest season in tennis. The Boys' Tennis team was composed of several excellent players, led by seniors Keenan Hagenburg, Ernie Madden, and Andy Hartnett; and juniors Paul Smith and John Couris. The match against an impressive and experienced Attleboro team displayed many outstanding individual performances. Wins against Bishop Feehan, Taunton, Durfee and Dighton-Rehoboth also showed Seekonk's versatile talents. For the second straight year the team qualified for the prestigious State Tournament and placed well. In the words of Coach Ridolfi; "An excellent season for the second year in a row, in only their second season as a varsity team."

Novice Coach rallies squad to impressive record

Once again, the Girls' Tennis Team enjoyed a successful season. They had a slow start with two disappointing losses to a tough Durfee team and an undefeated Attleboro team. From that point on, they were on a winning streak. One of their surprising victories came late in the season when they reversed their loss to an undefeated Attleboro team by a score of 3 to 2. By the end of the season, novice Coach, Cheryl Wilson, had rallied the squad to an impressive record of 14 wins-2 losses.

Contributing to the success of the season were co-captain Dot DiOrio, who played first singles, and Liz and Pat Sullivan, playing second and third singles respectively. First, doubles played by Joan Couris and Darlene Paul, and second doubles played by Meg McGovern and Sue Burrows rounded out the team.

Due to the determination and enthusiasm of everyone involved, the team enjoyed a winning season.

Taking Care of Business

They get up every mornin' from the 'larm clock
warnin'
Take the 8:15 into the city
There's a whistle up above and people pushin'
people shovin'
And the girls who try to look pretty,
And if your train's on time, you get to work by
nine
And start your slavin' job and get your pay
If you ever get annoyed, look at me
I'm self employed
I love work at nothin' all day.

And I've been takin' care of business every day
Takin' care of business every way
I've been takin' care of business and workin'
overtime,
Work out.

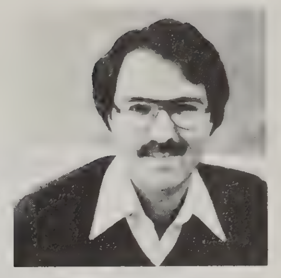
Merci, Gracias, Salamat, Thanks

We would like to thank the following people for their support and help:

Mr. Geoffroy, for his superb photography.

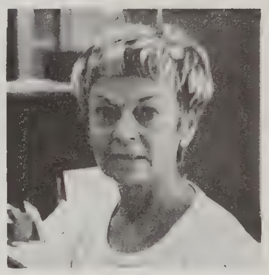


Mr. Stephen Murphy, for the many long hours he devoted towards the successful completion of our yearbook.

The Administration, for their support.

The Business Department for the use of their office equipment.

Mr. Saad, for his graphics and photographs.



Mrs. Emond and **Mrs. Goodnow,** for balancing our budget and providing us with student materials.

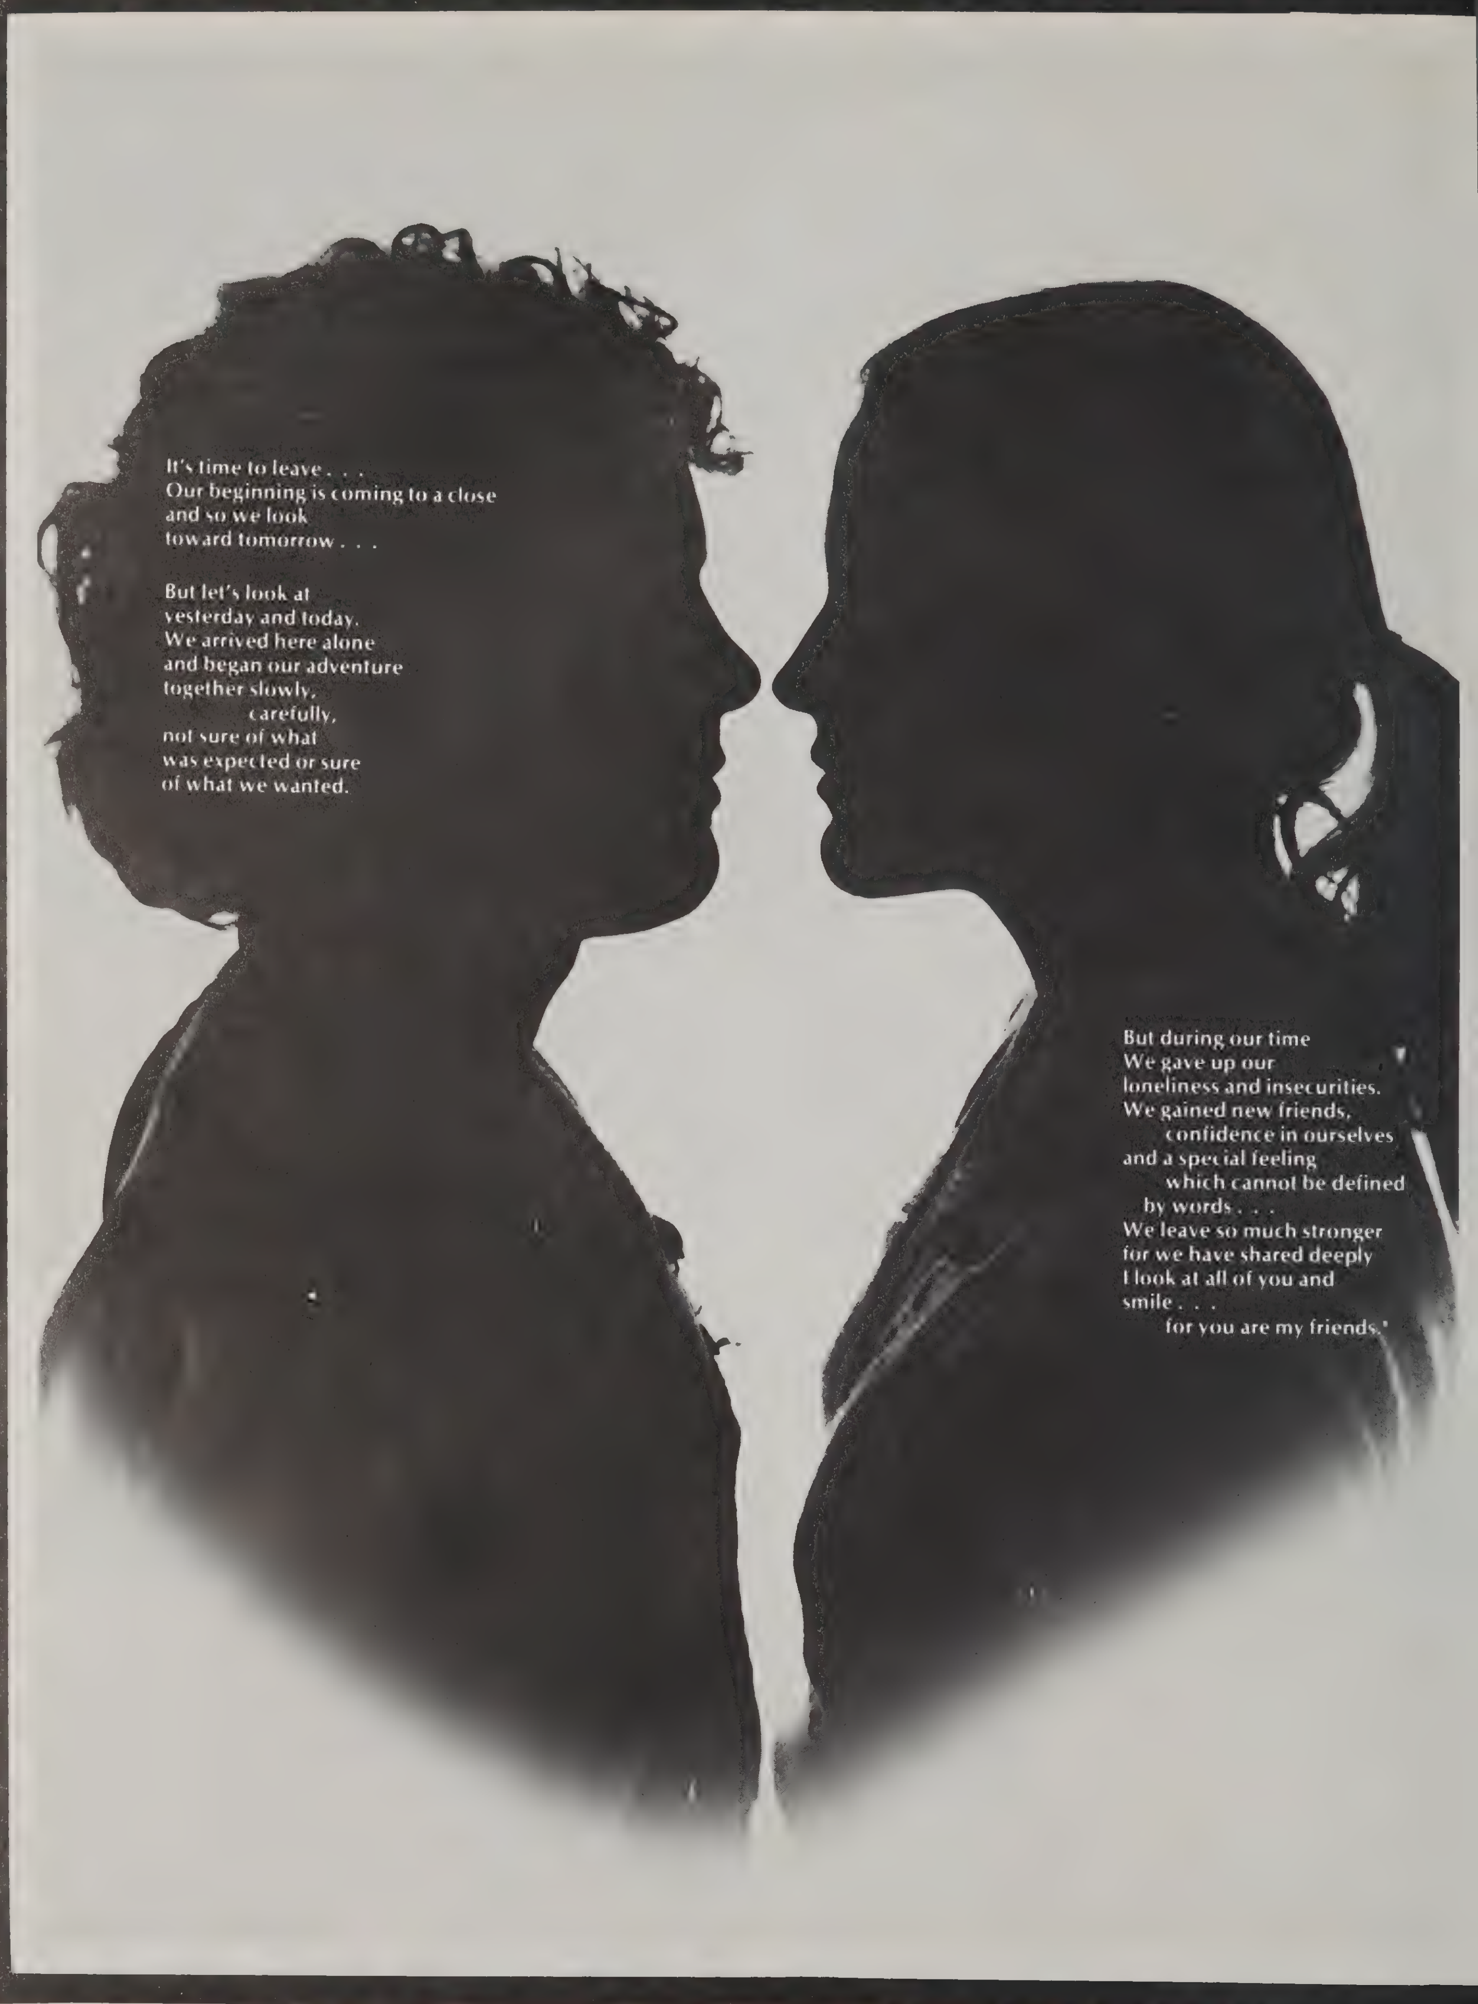
The Seekonk Fire Department, for the use of their ladders.

The Library Staff, for lending us yearbooks and other materials.

The Custodians, for being available at all times.

The Guidance Department, for the use of their phone.

The Student Body, for cheering us on and supporting our efforts.



It's time to leave . . .
Our beginning is coming to a close
and so we look
toward tomorrow . . .

But let's look at
yesterday and today.
We arrived here alone
and began our adventure
together slowly,
carefully,
not sure of what
was expected or sure
of what we wanted.

But during our time
We gave up our
loneliness and insecurities.
We gained new friends,
confidence in ourselves
and a special feeling
which cannot be defined
by words . . .
We leave so much stronger
for we have shared deeply
I look at all of you and
smile . . .
for you are my friends.'
